Design Flight List

Juno College of Technology

The following items should be checked off before considering your portfolio complete:

General

- ☐ Proper flow (header, bio, skills, portfolio, contact)
- ☐ Enough Contrast
- ☐ No social links or buttons in any section other than contact
- ☐ Fully Responsive
- ☐ Text is easy to read (enough line-height)
- ☐ Animations are impactful and not overdone

Sections

Header:

- ☐ Your name is prominently displayed
- ☐ Occupation (Front-End Developer)
- ☐ If using 100vh header, there should be an indicator to let the user know to scroll

Bio

- ☐ Bio shouldn't be too long (max 500 words)
- ☐ Include a photo

Skills

- ☐ Animation serves a purpose (animation on scroll)
- ☐ The layout is future proof (skills will grow, so design accordingly)

Portfolio Pieces

- ☐ Project sections should be distinguishable from one to the next
- ☐ Includes title, description and keywords, a button for viewing live + Github
- ☐ Preview for projects use same devices mockup
- ☐ Layout makes sense and is easy to navigate

Footer

- ☐ Email
- ☐ Contact form
- ☐ Social links
- ☐ Resume download (optional)
